Why Visit?

Listen to the experts

Listen to keynote speeches from some of the biggest names involved in Assistive Technology, and learn about the exciting and brand new features of Read&Write 3 GOLD FOR MAC.

Find out what the possibilities are!

Discover how the Mac has established itself as a viable platform in education and learn about the solutions available on the Mac that aid the development of learners.

Learn how Bootcamp and Parallels can improve efficiency, and see how the built-in features of Mac OS can help with accessibility.

Find out what the options are!

Get to grips with the latest technology, either hands-on, through demonstrations, or by chatting to the experts.

Who should visit?

- DSA assessors
- ICT co-ordinators
- Teachers
- Anyone interested in Assistive Technology and IT support for education in general

To Register

If you would like to register a place, or if you have any queries, please contact Emma Banks on 01223 420101 or email: emma.banks@iansyst.co.uk
